Granite Objects Cape Town

<https://graniteobjects.co.za>

Established in 1994. Our successful entry into the national market is a result of dedicated service and the establishment of lifelong relationships with our esteemed clients. Our factories in Cape Town, Gauteng, Nelspruit & Polokwane will satisfy all your stone requirements offering you excellent quality and outstanding service using the latest technology available.

Granite Objects proudly acquired the first and only Robotic Saw Jet in South Africa used along with other CNC machinery to manufacture stone countertops exactly to clients' specifications from accurate measurements taken with the latest laser measurement technology.

Granite Objects proudly represents all famous brands of stone slabs:

"There is no substitute for quality."
